No. 11 Civ. 2613 (Exchange-Based Action)

**DECLARATION OF JACK EWASHKO IN SUPPORT OF EXCHANGE-BASED
PLAINTIFFS' MOTION TO AUTHORIZE DISTRIBUTION OF FUNDS AND
FOR REIMBURSEMENT OF CLAIMS ADMINISTRATION EXPENSES**

Pursuant to 28 U.S.C. § 1746, I, Jack Ewashko, declare:

1. I am a Director of Case Management of A.B. Data, Ltd.’s Class Action Administration Company (“A.B. Data”), which has its corporate office in Milwaukee, Wisconsin. I am over 21 years of age and am not a party to these actions. I have personal knowledge of the facts set forth in this Declaration and, if called as a witness, could and would testify competently thereto.¹

I. RELEVANT BACKGROUND

2. I am submitting this declaration in support of Exchange-Based Plaintiffs’ Motion to Authorize Distribution of Funds and for Reimbursement of Claims Administration Expenses. Pursuant to the Court’s October 24, 2023 Order (ECF No. 3840), A.B. Data distributed settlement funds related to the Prior Settlements.² Accordingly, this Declaration concerns Exchange-Based Plaintiffs’ Settlement with the Remaining Defendants (the “Settlement”).³

3. Pursuant to the Preliminary Approval Order dated April 26, 2024 (ECF No. 4028) (the “Preliminary Approval Order”), the Court authorized A.B. Data to act as the Claims Administrator in connection with the Settlement with the Remaining Defendants.

4. Following the dissemination of the Class Notice and Postcard Notice and a fairness hearing on the Settlement, the Court entered the Order approving the Settlement with the Remaining Defendants on September 5, 2024 (ECF No. 4110).

¹ Unless noted, ECF citations are to the docket in *In re: Libor-Based Fin. Instruments Antitrust Litig.*, No. 1:11-md-02262-NRB (S.D.N.Y.).

² “Prior Settlements” means the settlements with Bank of America, Barclays Bank Plc, Citi, Deutsche Bank, HSBC Bank Plc, JPMorgan, and Société Générale.

³ “Remaining Settling Defendants” or “Remaining Defendants” refers to: (i) Credit Suisse AG; (ii) Lloyds Bank plc and Bank of Scotland plc; (iii) NatWest Markets plc (f/k/a The Royal Bank of Scotland plc); (iv) Portigon AG (f/k/a WestLB) and Westdeutsche Immobilienbank AG (n/k/a Westdeutsche Immobilien Servicing AG); (v) Royal Bank of Canada and RBC Capital Markets, LLC; (vi) Coöperatieve Rabobank U.A. (f/k/a Coöperatieve Centrale Raiffeisen-Boerenleenbank B.A.); (vii) The Norinchukin Bank; (viii) MUFG Bank, Ltd. (f/k/a The Bank of Tokyo-Mitsubishi UFJ, Ltd.); and (ix) UBS AG. Credit Suisse AG merged with and into UBG AG and ceases to exist.

5. In accordance with the Settlement and Plan of Distribution, A.B. Data has now completed processing all Proofs of Claim (“Claims”) received and submits its administrative determinations accepting and rejecting the Claims and proposed procedures for distributing the Net Settlement Funds.

6. This Declaration describes the following actions that A.B. Data took in administering the Settlement with the Remaining Defendants including: (i) disseminating the Class Notices and Claim Form (collectively, the “Notice Packet”) as requested and sending Postcard Notice to potential Class Members; (ii) processing the Claims received; (iii) determining Claim eligibility, identifying Claim and transaction-level deficiencies in the Claims, and notifying Claimants of any deficiencies; (iv) contacting Claimants and responding to inquiries from Claimants either by telephone or email in order to assist them in properly completing their otherwise deficient submissions; (v) selecting Claims for further auditing; (vi) issuing final disposition letters; (vii) performing a quality assurance review; (viii) processing of Late But Otherwise Eligible Claims; and (ix) proposing a procedure to distribute the Net Settlement Funds.

II. DISSEMINATION OF NOTICES TO POTENTIAL CLASS MEMBERS

7. As more fully described in my Declaration on Behalf of A.B. Data, Ltd. dated July 30, 2024 (ECF No. 4098-1), and in accordance with the Preliminary Approval Order, A.B. Data distributed Notice Packets and Notice Postcards to potential Class Members and caused the Publication Notices to be published in The Wall Street Journal and Investor’s Business Daily and Media Notice released via PR Newswire’s US1 National Newswire.

8. A.B. Data established, and continues to maintain, a case-specific website (www.USDLiborEurodollarSettlements.com) (the “Settlement Website”), a case-specific email address (info@USDLiborEurodollarSettlements.com), and a toll-free telephone helpline (1-800-

918-8964). The Settlement Website provides access to important documents relevant to the Settlements, and the email address and telephone helpline enable Class Members to obtain information about the Settlements.

III. A.B. DATA'S PROCESSING OF CLAIMS RECEIVED

9. Under the terms of the Preliminary Approval Order, and as set forth in the Class Notice and Plan of Distribution, each Class Member who wished to receive a distribution from the Settlement was required to submit a Claim to A.B. Data by no later than October 21, 2024. Class Members seeking to share in the Settlement were directed to submit their Claims online at the Settlement Website or to mail their completed Claim Form to a dedicated P.O. Box or to coordinate with A.B. Data to facilitate electronic claims filing. Through October 31, 2025, A.B. Data received a total of 4,798 Claims, which includes 4,116 Claims in connection with the Prior Settlements and 682 "New Claims," *i.e.*, were not submitted for the Prior Settlements.

10. In preparation for receiving and processing Claims, A.B. Data: (i) conferred with Class Counsel to define the project guidelines for processing Claims; (ii) created a unique database to store Claim details, images of Claims, and supporting documentation; (iii) trained staff in the specifics of the project; (iv) formulated a system to properly respond to telephone and email inquiries; (v) developed various computer programs and screens for entry of Class Members' transactional and identifying information; (vi) developed a proprietary calculation module that calculates each Authorized Claimant's share of the Net Settlement Funds pursuant to the Plan of Distribution; and (vii) collaborated with subject matter experts from Williamsburg Expert Financial Analysis, LLC ("WEFA") to verify the implementation of the Plan of Distribution.

A. Previously Approved Claims

11. Under the Plan of Distribution, Class Members who submitted a valid Proof of Claim in the Prior Settlements were not required to submit another Proof of Claim to participate in this Settlement, unless they wished to amend their claim. No Proofs of Claim submitted in the Prior Settlements were amended in connection with this Settlement.

12. The Claims Administrator received 4,116 Claims in connection with the Prior Settlements.

13. Of those Claims, 2,405 were timely and eligible, and 98 were late but otherwise eligible. The prior distribution of Settlement Funds was therefore allocated among these 2,503 eligible claimants according to the Plan of Distribution.

14. These 2,503 eligible claims from the Prior Settlements had a total Recognized Net Loss of \$12,965,285,235.12 and a Recognized Volume of 1,607,402,283.13 under the Plan of Distribution.

B. New Claims

15. Of the 4,798 total Claims received by A.B. Data to date, 682 were “New Claims,” *i.e.*, were not submitted for the Prior Settlements.

1. Processing of Paper Claims Received

16. Of the 682 New Claims A.B. Data received, 13 were mailed. Once the paper Claims had been processed, they were scanned into a database together with all submitted documentation. Each paper Claim was then assigned a unique Claim number.

17. Once scanned, the information from each Claim Form (including the Claimant’s name, address, and account number/information from the supporting documentation) and the

Claimant's transactions were entered into a database developed by A.B. Data to process Claims submitted for the Settlements.

18. A.B. Data reviewed each paper Claim added to the database to verify that all required information was provided. If required information was missing, A.B. Data flagged the deficiency for purposes of providing notice to the Claimants and an opportunity to cure the deficiency (as further discussed below). The documentation provided by the Claimant was also reviewed for authenticity and used to verify the Claimant's identity.

2. Processing of Online Claims Received

19. Of the 682 New Claims A.B. Data received, zero Claims were submitted through the online portal established on the Settlement Website.

3. Processing of Bulk Filer Claims

20. The remaining 669 of the 682 New Claims were submitted electronically to A.B. Data, primarily by bulk filers. Bulk filers are financial institutions, claims aggregators, and law firms that submit Claims on behalf of their customers and clients ("Bulk Filer Claims"). Bulk Filer Claims were either submitted on a flash drive by mail, via email, or through a secure FTP site. A.B. Data sent bulk filers a confirmation email upon receipt of their Claims.

21. A.B. Data's Electronic Claim Filing Team ("ECF Team") coordinates and supervises the receipt and handling of all Bulk Filer Claims. In this case, the ECF Team analyzed each electronic file to ensure that the formatting was consistent with A.B. Data's requirements and to identify any data issues or inconsistencies within the file that may require issuing a deficiency notice to the Claimant (as further discussed below). If the electronic file format was acceptable, it was then loaded into A.B. Data's database.

C. Authorized Claims

1. Timely Eligible Claims

22. A total of 4,571 Claims were submitted on or before the Claim deadline of October 21, 2024, 682 of which were New Claims. One hundred and seventeen of these timely New Claims were determined by A.B. Data to calculate to a Recognized Net Loss, a Recognized Volume, or both, pursuant to the Plan of Distribution (the “Timely Eligible Claims”). The 117 New Claims that are Timely Eligible Claims have a total Recognized Net Loss of \$100,371,740.65 and a total Recognized Volume of 50,949,931.53.

23. After the initial distribution, certain claims were returned, representing a total Recognized Loss of \$116,013,617.30 and a Recognized Volume of 8,610,055.57.

24. Together with the 2,405 Timely Eligible Claims and the 98 late but otherwise eligible claims from the Prior Settlements, the total number of Timely Eligible Claims for this Settlement is 2,620. These 2,620 Timely Eligible Claims have a total Recognized Net Loss of \$12,949,643,358.47 and a total Recognized Volume of 1,649,742,159.10. These Claims are listed in Exhibit A.⁴

2. Late Claims

25. A total of 227 Claims were submitted after the Claim submission deadline of October 21, 2024 (“Late Claims”). Two hundred and six of these New Late Claims were determined by A.B. Data to calculate to a Recognized Net Loss, a Recognized Volume, or both, pursuant to the Plan of Distribution. The Late Claims have a total Recognized Net Loss of

The exhibits do not disclose names, addresses, or Social Security or other Taxpayer Identification Numbers, or other financial information.

\$3,830,536,947.08 and a total Recognized Volume of 147,512,112.51. These Claims are listed in Exhibit B.

26. Together with the 2,620 Timely Eligible Claims and the 206 Late Eligible Claims, the total number of Eligible Claims is 2,826 and were determined by A.B. Data to calculate to a 16,780,180,305.55 Recognized Net Loss, and 1,797,254,271.61 Recognized Volume.

3. Rejected Claims

27. Three hundred fifty nine New Claims were ineligible for other reasons (*see* §IV.A.) and are listed in Exhibit C along with the ineligible Claims from the Prior Settlement (“Rejected Claims”).

28. Accordingly, there are a total of 2,826 eligible Claims that A.B. Data recommends that the Court accept and are eligible to receive a *pro rata* payment pursuant to the Plan of Distribution and the proposed distribution procedures below (*see* section VII) (the “Authorized Claims”). Of these, 323 are New Claims (117 Timely Eligible Claims and 206 Late Claims). A.B. Data recommends that the Court reject the remaining 1,972 Claims, which are listed on Exhibit C (the “Rejected Claims”). Of these, 359 are New Claims. These Rejected Claims include Claims that: have no purchase/no documentation (934); have been withdrawn (125); have been replaced with a new submission (825); or were submitted in duplicate (88).

IV. IDENTIFICATION OF ELIGIBLE CLAIMS AND TRANSACTIONS

29. A.B. Data processed the Claims to determine whether submissions satisfied the Claim- and transaction-level requirements. If a Claim did not satisfy one or more of the eligibility criteria, A.B. Data assigned internal codes (“flags”) to the Claim and/or transactions within a Claim that would be used to notify the Claimant of the deficiency or ineligibility conditions.

A. Claim-Level Eligibility Criteria

30. Claims were required to meet the following criteria to be eligible to receive a payment from the Net Settlement Funds.

31. Eligible Transaction During the Class Period: A Claim must include at least one eligible transaction during the Class Period to be considered for payment under the Plan of Distribution. If a Claim was submitted without an eligible transaction, A.B. Data notified the Claimant that this deficiency could be cured by providing transaction data. If a Claimant failed to provide any eligible transactions, the Claim was rejected. A total of 934 Claims were rejected for this reason.

32. Withdrawn, Replaced, or Duplicate Claims: After submitting their Claims, 125 Claimants withdrew their Claims. Replacement transaction data and supporting information was submitted for 825 Claims. Upon receiving the replacement Claim, A.B. Data marked the original submission as deficient and considered the replacement Claim as the operative submission. Finally, a Claimant may not submit more than one Claim involving the same transactions. A.B. Data identified a total of 88 duplicate Claims. When this occurred, the duplicate Claim was marked as ineligible.

B. Transaction-Level Eligibility Criteria

33. A.B. Data separately determined whether each transaction submitted as part of the Claims was individually eligible under the Plan of Distribution. Certain flags were used by A.B. Data to identify transaction-level deficiencies or ineligibility conditions. These flags would indicate to A.B. Data that the specific transactions could not be included in the recognized net loss/volume calculation unless the deficiency was cured. Transaction-level deficiencies included:

- (a) The transaction was not an eligible Derivative;

- (b) The transaction occurred outside of the Class Period;
- (c) The transaction reflected internal transfers within the Claimant's organization; and/or
- (d) Missing transaction data.

C. Issuance of Deficiency Letters

34. For Claimants whose Claims were incomplete or had one or more deficiencies, A.B. Data notified Claimants via email or mail (the "Deficiency Letter") of the applicable deficiency or ineligibility and provided instructions on how to cure the relevant deficiency. A sample Deficiency Letter is attached as Exhibit D.

35. The Deficiency Letter:

- (a) Identified one or more of the defects summarized in sections IV.A. (Claim-level deficiencies) and IV.B. (transaction-level deficiencies) above that were present in the Claim and described what, if anything, was necessary to cure the defect(s) in the Claim;
- (b) Stated that any Claim-level deficiencies that were not corrected within the time period specified would result in the rejection of the Claim in its entirety, and any transaction-level deficiencies that were not corrected within the time period specified would result in the rejection of the transaction from the calculation under the Plan of Distribution;
- (c) Advised Claimants of the right to contest the rejection of their Claims or certain transaction(s) in their Claims by requesting Court review of A.B. Data's administrative determination of deficiencies or ineligibility; and
- (d) Provided instructions on how to submit corrections (if applicable), or contest the rejection, and specified what supporting documentation should be provided.

36. For each Claim that included one or more underlying transaction(s) flagged as deficient or ineligible, as discussed in IV.B., the Deficiency Letter informed the Claimant of each defect on a transaction-by-transaction basis.

37. When requested, A.B. Data also provided support to Claimants who needed technical assistance in resolving deficiencies.

38. Claimants' responses to the Deficiency Letters were loaded into A.B. Data's database and associated with the corresponding Claims. The responses were then evaluated by A.B. Data's team of processors. If a Claimant's response corrected the defect(s), A.B. Data updated the database to reflect the changes in the status of the Claim or transaction. If Claim-level deficiencies were not cured, such Claims were rejected and included in Exhibit C (Rejected Claims). If transaction-level deficiencies were not cured, such transactions were excluded from the calculation under the Plan of Distribution.

39. No Claimant has disagreed with A.B. Data's deficiency determinations, nor has any Claimant requested Court review of A.B. Data's deficiency determination.

V. TRANSACTION-LEVEL AND DOCUMENTATION AUDITS

A. Transaction-Level Audit of Designated Claims and Identification of Deficiencies in Transactions Submitted

40. The Claim Form required all Claimants to submit supporting documentation for their transactions. The Electronic Claims Filing Instructions provided that following receipt of a Claim, the Claims Administrator may require a Claimant to submit additional trade confirmation data or other information that underlies the eligible transactions.

41. To ensure the integrity of the claims process, A.B. Data performed various targeted audits, including of the Electronic Claims. A.B. Data used criteria such as the calculated Recognized Net Loss to identify a selection of Electronic Claim Filers from which A.B. Data

requested confirmation slips or other transaction-specific supporting documentation. These targeted audits helped to ensure that transaction data supplied by Claimants did not contain inaccurate information. The Claims selected to submit their underlying confirmations for audit included:

(a) Large Claims: A.B. Data requested supporting documentation from the Claimants that submitted Claims collectively accounting for the top 90% of Recognized Net Loss under the Plan of Distribution. This criterion was tested on several different dates to account for revisions to Claims received or later-filed Claims;

(b) Unusually Large Individual and/or Questionable Claims: A.B. Data requested supporting documentation from all Claimants that had been previously identified as questionable claim filers (*see* ¶ 45 below) and from other individual Claimants whose Claims had an unusually large value based on A.B. Data's review; and

(c) Bulk Filer Claims: Consistent with A.B. Data's regular practice, A.B. Data selected certain Bulk Filer Claims to be included in the audit. Based on the volume of transaction data they submit, Claims submitted by bulk filers require additional attention to ensure all of the filing requirements have been met.

42. A.B. Data sent an email (or letter) to each auditee (the "Audit Letter") asking that these Claimants provide the requested trade confirmation data in the format specified in the Electronic Filing Guidelines for each transaction selected for audit. Each Claimant was advised that failing to timely respond and provide the requested trade confirmation data within a specified time period would result in the Claim being rejected in its entirety. A sample Audit Letter is attached as Exhibit E.

43. In total, A.B. Data audited 62 Claims (the “Audited Claims”). The Audited Claims process was in addition to the thorough and complete review of all claims as discussed in the Quality Assurance Review process described in section VI below.

44. Thirty-five Claimants responded to the Audit Letter with documentation or a revised filing. Upon receiving data from the Audited Claims, the ECF Team evaluated the eligibility of each transaction. A.B. Data evaluated all transaction-level data provided for the Audited Claims.

45. As a result of the audit, twenty-two of the Audited Claims passed with no rejections or adjustments. These Claims are included in either Exhibit A (Timely Eligible Claims) or Exhibit B (Late But Otherwise Eligible Claims).

46. Thirteen of the Audited Claims were fully rejected either because the products filed for were ineligible for recovery, or their transaction(s) were determined to be invalid. These Claimants were unable to provide requested documentation concerning the transactions in the Claims. These Claims are included in Exhibit C as rejected in full. The 27 Audited Claims whose Claimants did not respond to the Audit Letter were rejected.

B. Claims Selected for Documentation Audit

47. As part of A.B. Data’s auditing of Claims, A.B. Data identified and required certain Claimants to submit a sampling of documentation to support their electronic data. This audit allowed A.B. Data to further review the eligibility of the transactions and confirm compliance with the Settlement Class definition.

48. A.B. Data selected the 23 largest Claims based on their Recognized Net Loss and Recognized Volume and requested that they provide statements for a sampling of identified transactions. The statements were required to be from a broker/custodian and must have contained the appropriate identifying information for the transaction, such as beneficial owner name, account

number, date of transaction, maturity date, and notional value, among other things. No Claims were deemed ineligible after this audit.

VI. FINAL DISPOSITION LETTERS

49. After completion of the deficiency and audit processes outlined above, A.B. Data sent a letter to all Claimants that provided a final disposition of the Claim (the “Final Disposition Letters”). If the Claim or certain transactions were rejected, the reason for the rejection and the previous deficiency letter were referenced. The Final Disposition Letters also provided the Recognized Net Loss and Recognized Net Volume calculation (if applicable) for each Claimant if the Claim was accepted. A sample Final Disposition Letter is attached as Exhibit F.

50. The Final Disposition Letters also advised Claimants of their right to request additional review of their Claim if they objected to either A.B. Data’s administrative determination to reject their Claim in whole or in part or the calculation of their net loss and/or net volume under the Plan of Distribution. The letters explained that any Claimant desiring to object to A.B. Data’s administrative determination was required to submit a written statement to A.B. Data requesting additional review of their Claim and setting forth the basis for the objection.

51. Through the date of execution of this declaration, A.B. Data has not received any objections or requests for exclusion.

VII. QUALITY ASSURANCE REVIEW

52. Throughout the administration process, A.B. Data’s Quality Assurance Department verified that Claims were properly processed by checking that information was entered correctly into the database, deficiency and/or rejection flags were assigned accurately, and deficiency and/or rejection notifications were sent appropriately. In effect, the Quality Assurance Department operated as an independent auditor to ensure that the settlement administration occurred according to the Plan of Distribution and commonly accepted practices. A.B. Data’s supervisors and

managers in the Quality Assurance Department performed additional Quality Assurance Reviews (“QARs”) to assess the correctness and completeness of all Claims prior to preparing this Declaration and all of A.B. Data’s final documents in support of distribution of the Net Settlement Funds. After completing its QARs, A.B. Data notified Claimants (if applicable) of any results that impacted their Claims. As part of the QARs, A.B. Data:

- (a) Verified that all Claims had signatures of authorized individuals;
- (b) Verified that true duplicate Claims were identified, verified, and rejected;
- (c) Verified that persons and entities excluded from the Class or particular Settlements did not file Claims and, if such persons or entities did file Claims, that their Claims were rejected or properly excluded from the *pro rata* calculation of the applicable Net Settlement Fund(s);
- (d) Performed a final Quality Assurance audit of Claims and all supporting documentation to ensure completeness of Claims;
- (e) Performed a review of deficient or invalid Claims;
- (f) Determined that all Claimants requiring deficiency and/or rejection notification were sent such notification;
- (g) Performed additional review of Claims with a high *pro rata* share of the Net Settlement Funds;
- (h) Performed other auditing based on Claims completion requirements and the approved calculation specifications based on the Plan of Distribution; and
- (i) Re-tested the accuracy of the program that calculated the allocation from the Net Settlement Funds.

53. As part of its due diligence, A.B. Data also, among other things, cross-checked all Claims filed in the Settlements against its database of known questionable filers (the “Questionable Claim Filer Database”), which contains names, addresses, and aliases of individuals or entities that have been investigated by government agencies for questionable claim filing. A.B. Data updates this Questionable Claim Filer Database on a regular basis. In addition, A.B. Data’s claim processors are trained to identify any potentially inauthentic documentation when processing claims, including claims submitted by Claimants not previously captured in the Questionable Claim Filer Database. Processors are instructed to flag any questionable claims and escalate them to management for review. A.B. Data issued an Audit Letter to four Questionable Claim Filers that submitted a Claim. A.B. Data did not receive the requested information from the Questionable Claim Filers and has rejected these Claims.

VIII. PROCESSING OF LATE BUT OTHERWISE ELIGIBLE CLAIMS

54. Of the 4,798 total Claims received, 227 were received or postmarked after the October 21, 2024, Claim submission deadline established by the Court. A.B. Data processed all late Claims received through October 31, 2025, and 206 have been found to be otherwise eligible in whole or in part (the “Late But Otherwise Eligible Claims”). A.B. Data has not rejected any Claim received through October 31, 2025, solely based on its late submission, and A.B. Data believes no delay has resulted from the provisional acceptance of these Late But Otherwise Eligible Claims because the processing of timely received Claims was still ongoing. Thus, to the extent these Claims are eligible, but for the fact that they were late, they are recommended for payment.

55. However, there must be a final cut-off date after which no more Claims will be accepted so that there may be a proportional allocation of the Net Settlement Funds and the distribution may be accomplished. Acceptance of additional Claims or responses to notices of deficiency received during the finalization of the administration and the preparation of this

application would necessarily require a delay in the distribution. Accordingly, A.B. Data also respectfully requests that this Court order that no Claim received after October 31, 2025, be eligible for payment from the Net Settlement Funds for these Settlements for any reason whatsoever and that no further adjustments or corrections to Claims submitted after October 31, 2025, may be accepted. To the extent there are subsequent settlements, any Claims filed in compliance with the applicable claims filing deadline of those settlements may only participate in those subsequent settlements.

IX. PROPOSED PROCEDURE TO DISTRIBUTE THE NET SETTLEMENT FUNDS

56. Should the Court approve A.B. Data's determinations concerning the accepted and rejected Claims, A.B. Data recommends the following procedure to distribute the Net Settlement Funds (the "Distribution Procedure"):

(a) A.B. Data will conduct an initial distribution (the "Initial Distribution") of the Net Settlement Funds. The Initial Distribution will be determined as follows:

(1) A.B. Data will calculate award amounts for all Authorized Claimants as if the entire Net Settlement Funds were to be distributed now. In accordance with the Plan of Distribution, A.B. Data will calculate each Authorized Claimant's *pro rata* share of the Net Settlement Funds (the "Distribution Amount"). The Distribution Amount is comprised of a Recognized Net Loss calculation and a Recognized Volume calculation. A portion of the Distribution amount is equal to the Authorized Claimant's Recognized Net Loss divided by the total Recognized Net Loss of all Authorized Claimants (the "*pro rata* fraction") multiplied by 75% of the amount of the Net Settlement Funds. The other portion of the Distribution Amount is comprised of the Authorized Claimant's Recognized Net Volume divided by the total Recognized Net Volume of all Authorized Claimants (the "*pro*

rata fraction”) multiplied by 25% of the amount of the Net Settlement Funds.

(2) A.B. Data recommends, pursuant to the terms of the Plan of Distribution, that any Authorized Claimant whose *pro rata* Distribution Amount is greater than \$0 and \$19.99 or less shall receive a minimum payment of \$20.00 (the “Minimum Payment”) from these Settlements. This Minimum Payment was determined by evaluating the amount of the fund that would be reallocated by setting this threshold and the administrative savings of implementing this payment floor. Under the Plan of Distribution, 1,858 Claimants will receive the Minimum Payment. The total amount of this Minimum Payment comprises approximately 1.61% of the Net Settlement Funds, or \$37,160.00. In contrast, if these Authorized Claimants were paid their award amount based on their *pro rata* fraction, the payments would total \$6,397.91 or approximately 0.28% of the Net Settlement Funds. Setting the Minimum Payment at \$20.00 will reallocate just 1.33% of the Net Settlement Funds towards paying these Claimants. Claimants receiving the Minimum Payment will receive the entire Minimum Payment in the Initial Distribution and will not be eligible to receive any further distribution from the Net Settlement Funds.

(3) After excluding Authorized Claimants who will receive the Minimum Payment, A.B. Data will recalculate the Distribution Amounts for Authorized Claimants who would have received awards of \$20.00 or more pursuant to the calculations described in subparagraph (a)(1) above.

(b) To encourage Authorized Claimants to deposit their payments promptly, all distribution checks in the Initial Distribution will bear a notation: “CASH PROMPTLY. VOID

AND SUBJECT TO REDISTRIBUTION IF NOT CASHED WITHIN 90 DAYS AFTER ISSUE DATE.” For Authorized Claimants whose checks are returned as undeliverable, A.B. Data will endeavor to locate new addresses by running the undeliverable addresses through address-lookup services. Where a new address is located, A.B. Data will update the database accordingly and reissue a distribution check to the Authorized Claimant at the new address. In the event a distribution check is lost or damaged or otherwise requires reissuance, A.B. Data will issue a replacement. Distribution reissues will be undertaken only upon written instructions from the Authorized Claimant, provided that the Authorized Claimant returns the previous check where appropriate. For all reissued checks, A.B. Data will void the initial payment prior to reissuing a payment. To avoid delaying further distributions to Authorized Claimants who have timely cashed their checks, A.B. Data’s outreach program shall end 30 days after the initial void date. Authorized Claimants will be informed that, if they do not cash their Initial Distribution checks within 90 days of the mail date, or do not cash reissued checks within 30 days of the mailing of such reissued checks, their checks will lapse, their entitlement to recovery will be irrevocably forfeited, and the funds will be reallocated to other Authorized Claimants. Reissue requests for lost or damaged checks will be granted after the void date on the checks as long as the request for the reissue is received no later than 45 days prior to the next planned distribution. Requests for reissued checks in connection with any subsequent distributions (should such distributions occur) will be handled in the same manner. Subsequent distributions will have a 30-day stale date.

(c) Authorized Claimants who do not cash their Initial Distribution checks within the time allotted or on the conditions set forth in subparagraph (b) will forfeit all recovery from the Settlements. A.B. Data anticipates that there will be a number of void, stale-dated, or returned checks, and failed wire transfers. The funds allocated to all such void, stale-dated, or

returned checks, and failed wire transfers, will be available to be reallocated in the Second Distribution. Similarly, Authorized Claimants who do not cash their second or subsequent distribution checks (should such distributions occur) within the time allotted or on the conditions set forth in subparagraph (b) will irrevocably forfeit any further recovery from the Net Settlement Funds.

(d) After A.B. Data has made reasonable and diligent efforts to have Authorized Claimants cash their Initial Distribution checks, which efforts shall consist of the follow-up efforts described in subparagraph (b), A.B. Data will, after consulting with Class Counsel, conduct a second distribution of the Net Settlement Funds (the “Second Distribution”) in a reasonable period of time. Any amounts remaining in the Net Settlement Funds after the Initial Distribution (including the proceeds from all void, stale-dated, or returned checks and failed wire transfers), after deducting the payment of any additional fees and expenses incurred in connection with administering the Settlement, estimated taxes, the costs of preparing appropriate tax returns, any escrow and administrative fees, and appropriate contingency reserves, will be distributed to all Authorized Claimants (i) (i) who cashed their first distribution check and (ii) who would receive at least \$20.00 from such distribution based on their *pro rata* share of the remaining funds. Additional distributions, after deduction of costs and expenses as described above and subject to the same conditions, may occur after a reasonable period of time until Class Counsel, in consultation with A.B. Data, determines that further distribution is not cost-effective.

(e) If necessary, the remaining balance of the Net Settlement Funds, after payment of any unpaid fees or expenses incurred in administering the Net Settlement Funds and after the payment of any estimated taxes, the costs of preparing appropriate tax returns, and any

escrow fees, shall be contributed to nonsectarian, not-for-profit 501(c)(3) organization(s) recommended by Class Counsel and approved by the Court.

(f) Unless otherwise ordered by the Court, A.B. Data asks that it be permitted to destroy paper and electronic copies of the Claims and all supporting documentation one year after all funds from these Settlements and any later approved settlements have been distributed, and the Action has finally terminated.

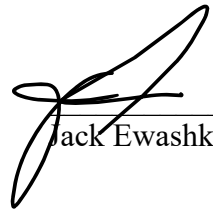

57. To date, the costs of notice and administration for the Settlements total \$106,984.34, for which A.B. Data has been or will be paid in full. A.B. Data anticipates that the additional cost to complete the administration for these Settlements and distribution of the Net Settlement Funds will be \$27,269.93. The estimate covers A.B. Data's future work in distributing the Net Settlement Fund, as described above. This estimate is attached as Exhibit G. Should the estimate of fees and expenses exceed the actual fees and expenses, A.B. Data will refund the difference to the Net Settlement Fund once all Distributions are completed.

CONCLUSION

58. A.B. Data respectfully requests that the Court enter an Order approving its administrative determinations accepting and rejecting the Claims submitted herein and approving the proposed Distribution Procedure.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

NOTICE OF REJECTION OF CLAIM

DATE: [REDACTED]
RE: USD Libor Eurodollar Futures Settlement
IN RE LIBOR-BASED FIN. INSTRUMENTS ANTITRUST LITIGATION,
11 MDL No. 2262, No. 11 Civ. 2613
CLAIM NUMBER: [REDACTED]
RESPONSE DEADLINE: June 27, 2023

Dear Claimant:

We have processed the Proof of Claim and Release Form ("Claim") that you submitted in connection with the settlement achieved in the above-noted litigation. Your Claim, based on our review, is ineligible for a recovery for the reason(s) listed below. Please note that some reasons for ineligibility are curable. To resolve the identified curable condition(s) of ineligibility, please follow the instructions below.

In order for this Claim to be eligible, the identified curable conditions of ineligibility must be resolved and the Claim must then calculate to a Recognized Claim under the Court-approved Plan of Distribution. Please include a copy of this notice with your response. **If you fail to respond by the response deadline printed above, or if your response fails to cure the condition(s) identified below, your Claim will be rejected in its entirety. Please note that this is the only notice you will receive with respect to the rejection related to this Claim.**

No Eligible Purchase During the Class Period

This Claim does not include a purchase or acquisition of LIBOR-based Eurodollar futures contracts and/or options on Eurodollar futures contracts on exchanges, such as the CME, at any time between January 1, 2003, and May 31, 2011 (the "Settlement Class Period"). Therefore, the Claim is ineligible to participate in the distribution of the Net Settlement Fund.

This is NOT a curable deficiency unless you had a purchase or acquisition of LIBOR-based Eurodollar futures contracts and/or options on Eurodollar futures contracts during the Settlement Class Period that is not reflected in your Claim. If you purchased or acquired LIBOR-based Eurodollar futures contracts and/or options on Eurodollar futures contracts during the Settlement Class Period, you must advise us in writing and provide the appropriate documentation to support your transactions.

Claims that are not cured by the response deadline above will be rejected. If you believe your Claim has been rejected in error, you may contact us for assistance and/or request Court review of our determination. To request Court review of your Claim, you must send us a signed, written statement that (a) states your reasons for contesting the rejection of this Claim, along with any and all documentation supporting your argument(s); (b) specifically states that you “request that the Court review the rejection of this Claim”; and (c) includes a copy of this notice, postmarked no later than the response deadline set forth above. If the dispute concerning your Claim cannot be otherwise resolved, your Claim will be presented to the Court for review. Please note: Court review should only be sought if you disagree with the determination regarding this Claim. Furthermore, any requests for Court review will be submitted at the time Plaintiffs file their motion for distribution of the net settlement funds (the “Distribution Motion”). Please continue to check the settlement website (www.USDLiborEurodollarSettlements.com) for updates which will include a copy of the Distribution Motion once it is filed with the Court.

NOTICE OF FINAL CALCULATION OF CLAIM

DATE: [REDACTED]
RE: USD Libor Eurodollar Futures Settlement
IN RE LIBOR-BASED FIN. INSTRUMENTS ANTITRUST LITIGATION,
11 MDL No. 2262, No. 11 Civ. 2613
RECOGNIZED NET LOSS: [REDACTED]
RECOGNIZED NET VOLUME: [REDACTED]
CLAIM NUMBER: [REDACTED]
RESPONSE DEADLINE: [REDACTED]

Dear Claimant:

We have processed the Proof of Claim and Release Form ("Claim") that you submitted in connection with the settlement achieved in the above-noted litigation. Your Claim, based the Court-approved Plan of Distribution, calculates to the Recognized Net Loss noted above. A copy of the Court-approved Plan of Distribution is available at www.USDLiborEurodollarSettlements.com.

If you believe the calculation of your Recognized Net Loss set forth above is incorrect, you must, within twenty-one (21) days of the date of this notice, send us a signed written statement that states your reasons for contesting this determination, along with documentation supporting a different Recognized Net Loss amount under the Plan of Distribution.

The Settlement Administrator will review any information you submit in response to this determination. If there remains a dispute concerning the Settlement Administrator's determination of your Claim, such dispute will be presented to the Court for binding resolution.

Class Counsel will file a motion for Court approval to distribute the Net Settlement Fund after claimants have had an opportunity to respond to the determination from the Settlement Administrator and all Claims have been finalized. The distribution motion will be posted on the Settlement website (www.USDLiborEurodollarSettlements.com). Claimants may file objections to the determination of their claim or otherwise make submissions to the Court in response to the distribution motion.

Approximately 75% of the Net Settlement Fund will be distributed on a pro rata basis to Eligible Claimants whose Claim results in a Recognized Net Loss. Approximately 25% of the Net Settlement Fund will be distributed on a pro rata basis to Eligible Claimants on the bases of their Recognized Volume. Payments from the Net Settlement Fund will be determined by calculating the ratio of your Recognized Net Loss, or the ratio of your Recognized Volume, to the sum of all valid, accepted Claims with a Recognized Net Loss, or the sum of the Recognized Volume, and multiplying that ratio by the Net Settlement Fund. We do not yet know what this pro rata ratio will be.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at 1-800-918-8964 or email us at info@USDLiborEurodollarSettlements.com. Please reference the Claim number listed above in any communication.
